Dear Colleagues,

It is our great privilege to let you know that a course titled "INTERNATIONAL FEDERATION OF CLINICAL CHEMISTRY AND LABORATORY MEDICINE C-STFT STANDARDIZATION UPDATE & LABORATORY MANAGEMENT COURSE" is being organized on 16th -17th Dec, 2014 by IFCC Committee for Standardization of Thyroid Function Test (C-STFT) & Association of Clinical Biochemists of India.

We will have many sessions which will feature lectures by distinguished national & international speakers from different fields (Biochemistry, Immunology, Autoimmune, Hematology, Microbiology, Histopathology, Administration, Management, Accreditation bodies like NABL, CAP, NABH) and panel discussion with experts. Prof. Dr. Howard Morris, IFCC Vice President, will deliver the key note address on Global Standardization/ Harmonization Initiatives. Aim of the event would be to increase awareness and expertise in laboratory management & business intelligence, IFCC standardization / harmonization studies, IQC strategies, accreditation readiness, ISO 15189: 2012 guidelines & training, internal audit skills, safety norms, lean-six sigma basics, validation protocols, etc.

Thanks & best regards,

Organizing Secretary

Dr. Barnali Das, MD., DNB., PGDHHM.

Consultant, Biochemistry & Immunology, Kokilaben Hospital, Mumbai
IFCC Committee for Standardization of Thyroid Function Test (C-STFT)
Corresponding Member, IFCC Committee for Reference Interval &
Decision Limits (C-RIDL). CAP Inspector & NABL Assessor.
