

Every Life Matters

In Association With

Technical Partner

Department of Biochemistry & Immunology

Presents

**International Seminar on
"Beyond Accreditation: Harmonization &
Standardization"**

Date: Thursday, 10 March, 2016

Venue: 6th Floor, Convention Centre, Kokilaben Hospital, Mumbai

Dear Colleagues,

I am pleased to inform you that seminar on "Beyond Accreditation: Harmonization & Standardization" will be conducted in Kokilaben Dhirubhai Ambani Hospital & Medical Research Institute (6th Floor Convention Centre) on Thursday, 10 March, 2016 in association with IFCC & CAHO. NABL is the technical partner.

International Federation of Clinical Chemistry & Laboratory Medicine (IFCC) has listed the event in IFCC online congress calendar available at the following link: <http://www.ifcc.org/ifcc-congresses-and-conferences/>

Highlights of the Event:

- Key note address by eminent cardiologist on " Life style standardization and biochemical markers: how to avoid the visit to cardiologist?"
- Introductory address by NABL Director
- Plenary talks by renowned Administrators, Diagnosticians, Accreditation Experts, Endocrinologists, Thyroid Specialists & Clinicians
- Discussion on Standardization & Harmonization efforts, POCT, IQCP, Sigma Metrics and functioning of Biochemistry, Immunology, Histopathology, Haematology, Microbiology, HLA Typing, Molecular Biology & Cytogenetics laboratory. Also there will be discussion on NABL, CAP, NABH & JCI accreditation journey
- Medley of debates & discussion from all the sections of Laboratory Medicine Department & Clinical Fields on Quality & Workflow Standardization

Aim of the event would be to increase awareness and expertise in laboratory management & business intelligence, IFCC standardization / harmonization studies, IQC & EQA strategies, accreditation, ISO 15189: 2012 guidelines, internal audit skills, analysis of opportunities and critical success factors, safety norms, lean-six sigma basics, validation protocols, etc. There will be debate/ panel discussions on Biochemistry, Immunology, Hematology, Microbiology, Histopathology, Transfusion Medicine, HLA, Laboratory Management & Inspection readiness for NABL, CAP & NABH and JCI.

Thanks & Regards,

Dr Barnali Das

MD, DNB, PGDHHM

Consultant Biochemistry & Immunology Division, Kokilaben Hospital

- Jt. Secretary, CAHO

- Member, IFCC Committee for Standardization of Thyroid Function Test & Corresponding member, IFCC C-Reference Interval & Decision Limit

- NABL Assessor & College of American Pathologist (CAP) Inspector

WHO SHOULD ATTEND?

Biochemists, Pathologists, Microbiologists, Histopathologists, Haematologists, Administrators, Quality Managers, Laboratory Managers, PG Students, Technical Staff and those who are interested in Laboratory Management

ORGANIZING COMMITTEE

Patrons

Dr Ram Narain and Dr Santosh S Shetty

Advisor

Dr Varsha Vadera

Organizing Secretary

Dr Barnali Das

Joint Organizing Secretary

Dr Sweta Shah

Academic Committee Convener

Dr Pankhi Dutta

Organizing Committee Members

Dr Meenal Hastak, Dr Bijal Kulkarni, Dr Nidhi Mehta, Dr Rajesh Sawant, Dr Sharada Kankonkar, Dr Jaya Vyas, Dr Pooja Thakkar, Dr Fiona Fonseca, Dr Tejal Shah, Dr Hardik Khandelwal, Dr Ishita Chakraborty, Dr Namita Davar

Event Manager

Ms. Shuchi Singhal

Core Committee Members

Ms. Reshma Morajkar, Mr. Rajendra Kule, Ms. Rashmi Patil, Mr. Mukesh Shah, Ms. Poonam Mandavkar, Ms. Vishakha Tawde, Ms. Lakshmi Acharya, Mr. Sachin Patil, Ms. Poornima Shetty, Ms. Milan Morajkar, Mr. Shyjith C., Ms. Alisha Tauro, Ms. Mamta Mestry, Mr. Kiran Totre, Ms. Parul Borse, Ms. Daniya Maner, Ms. Seema Bhatia, Ms. Saylee Salgaonkar, Mr. Moiz Indorewala, Mr. Prashant Korpe

Applied for MMC Points

REGISTRATION FORM

Name: Dr / Mr. / Ms. _____

Designation: _____ MMC No.: _____

Name of the Organisation: _____

Address:

Email Address: _____ Phone No.: _____

Registration

(200 Seats Available. Registration will be accepted till the availability of seats).

Seminar	Last date of Registration March 5, 2016	Spot Registration
Course Fee	Free	1000

Kindly courier your filled form to:

Dr Barnali Das

Consultant, Biochemistry & Immunology,
Kokilaben Hospital, Four Bungalows, Andheri (W), Mumbai – 400053, India.
Email: drbarnalidas@rediffmail.com
Please Contact: Phone: +91-9967594064, +91-9167666042.

Or

Ms. Reshma Morajkar

Biochemistry & Immunology,
Kokilaben Hospital, Four Bungalows, Andheri (W), Mumbai – 400053, India.
Email: biochemistry.kh@relianceada.com

For accommodation: You have to make your own arrangement

PROGRAMME SCHEDULE

Thursday, 10 March, 2016

- 8.30 – 9.00 AM Registration / Breakfast
- 9.00 – 9.15 AM **Welcome address**
Management's Vision on Accreditation & Standardization
Speaker: Dr Santosh S Shetty, Executive Director & COO, Kokilaben Hospital, Mumbai
- 9.15 – 9.30 AM **Harmonization of Quality & Business Intelligence in Laboratory Services**
Speaker: Dr Ram Narain, Executive Director, Kokilaben Hospital, Mumbai
- 9.30 – 9.45 AM **NABL Accreditation**
Speaker: Mr. Anil Relia, Director - NABL
- 9.45 – 10.10 AM **Standardization and Harmonization: Are We There Yet?**
Speaker: Dr Barnali Das, Consultant - Biochemistry & Immunology Division, Kokilaben Hospital, Mumbai
- 10.10 – 10.40 AM **Key note address**
Life Style Standardization: How to Avoid the Cardiologist?
Speaker: Dr Jamshed Dalal, Director, Cardiology Division, Kokilaben Hospital, Mumbai
- 10.40 – 11.00 AM **Lizards in Histopathology Lab and Why We Love Them!**
Speaker: Dr Anita Bhaduri, Consultant Histopathology, P.D. Hinduja National Hospital & Medical Research Centre, Mumbai

11.00 – 11.15 AM : Tea Break

- 11.15 – 11.35 PM **Accreditation to Clinicians**
Speaker: Prof. Dr Sumeet Gujral, Consultant Haematologist, Tata Memorial Hospital; Lead Assessor & Technical Assessor, Haematology
- 11.35 – 11.50 PM **Open House Discussion: Challenges of NABL Accreditation**
NABL 112, Method Validation, IQC, EQA Policy, Lean Six Sigma, Standardization, Checklist Requirement & many more
- 11.50 – 1.00 PM **Biochemical Markers: Clinician's Perspective**
- 11.50 – 12.10 PM **Pitfalls in Interpreting Thyroid Function Tests**
Speaker: Dr Dheeraj Kapoor, Consultant - Endocrinology, Kokilaben Hospital, Mumbai
- 12.10 – 12.30 PM **Innovation in Diabetes Care**
Speaker: Dr Archana Juneja, Consultant - Endocrinology, Kokilaben Hospital, Mumbai
- 12.30 – 12.50 PM **Hype of Hypovitaminosis D**
Speaker: Dr Girish Parmar, Consultant - Endocrinology, Kokilaben Hospital, Mumbai
- 12.50 – 1.10 PM **Challenges in the Diagnosis and Management of Hyponatraemia**
Speaker: Dr Falguni Parikh, Consultant, Internal Medicine & Rheumatology, Kokilaben Hospital, Mumbai

1.10 PM – 2.00 PM : Lunch Break

- 2.00 – 5.00 PM **Medley of Discussion & Debate on Quality & Workflow Standardization**
Chairperson: Dr Varsha Vadera, Head - Laboratory Medicine and Advanced Diagnostics, Kokilaben Hospital, Mumbai
- 2.00 – 2.15 PM **Overview of Laboratory Processes on Quality Outcome**
Speaker: Dr Varsha Vadera, Head - Laboratory Medicine and Advanced Diagnostics
- 2.15 – 2.45 PM **Point of Care Testing Debate**
POCT Device Should Be Kept in the Emergency Room
Speaker: Dr Sanjay Mehta, Director, Department of Accident & Emergency, Kokilaben Hospital, Mumbai
Vs.
POCT Should Be Kept & Monitored by Laboratory
Speaker: Dr Suvin Shetty, Consultant, Laboratory Medicine, Hiranandani Hospital, Mumbai
- 2.45 – 3.00 PM **Histopathology & Immuno Histochemistry: Accreditation & Standardization Essential or Not?**
Speakers: Prof. Dr Meenal Hastak, Consultant, Histopathology, & Dr. Bijal Kulkarni, Consultant, Histopathology, Kokilaben Hospital, Mumbai

3.00 – 3.15 PM : Tea Break

- 3.15 – 3.45 PM **IQCP in the Microbiology Section: To Do or Not to Do**
Speakers: Dr Sweta Shah, Consultant, Microbiology, Kokilaben Hospital, Mumbai
Vs.
Dr Pooja Thakkar, Asst. Consultant, Microbiology, Kokilaben Hospital, Mumbai
- 3.45 – 4.00 PM **Minimizing Coagulation Headaches**
Speaker: Dr Pankhi Dutta, Consultant, Hematology, Kokilaben Hospital, Mumbai.
- 4.00 – 4.15 PM **Essential steps towards a State-of-the-Art Blood Bank**
Speaker: Dr Nidhi Mehta, Consultant, Transfusion Medicine, Kokilaben Hospital, Mumbai
- 4.15 – 5.15 PM **Panel Discussion: Beyond Accreditation: Standardization & Path Forward**
(NABL, CAP, NABH & JCI Accreditation, Biochemistry, Transfusion Medicine, Molecular Biology & Cytogenetics, HLA Typing, and Quality Practices)
Moderator: Ms. Shuchi Singhal, Quality Manager, Kokilaben Hospital, Mumbai
- Panelists:**
Prof. Dr Sucheta Dandekar, Professor and Head, Biochemistry at Seth GS Medical College & KEM Hospital, Mumbai

Prof. Dr Pramod Ingale, Professor and Head, Biochemistry, LTM. Medical College & LTMG Hospital, Sion, Mumbai

Dr Rajesh Sawant, Consultant, Transfusion Medicine, Kokilaben Hospital, Mumbai

Dr Rajiv Kumar, GM, Clinical Quality, Kokilaben Hospital, Mumbai.

Dr Jaya Vyas, Consultant, Molecular Biology & Genetics, Kokilaben Hospital, Mumbai

Dr Sharada Kankonkar, Consultant, Histocompatibility & Immunogenetics, Kokilaben Hospital, Mumbai

5.00 PM : Vote of Thanks
