**"G.O.A.L PROGRAMME:  
CONQUERING CANCER PAIN"**

**Organised by:**

Department of Pain Medicine and Palliative Care &  
Centre for Cancer, Kokilaben Hospital

**Date:** 8 April, 2017

**Time:** 1:00 pm to 7:00 pm

**Venue:** 6<sup>th</sup> Floor, Convention Centre, Kokilaben Hospital

## ABOUT THE SPEAKERS

### **Dr Mahesh Menon**

MBBS, MD (Anaesthesiology)

Consultant - Department of Pain and Palliative Medicine

**Kokilaben Hospital, Mumbai**

Dr Menon specialises in the assessment, diagnosis and management of any pain that lasts longer than 3 to 6 months without relief (Chronic Pain). He holds a prestigious Clinical Fellowship from the Pain Management Centre at Singapore General Hospital - accredited by the Australian and New Zealand College of Anaesthetists (ANZCA) Faculty of Pain Medicine. He has background work experience in Neurosurgery and was involved in Family Practice which has added broader dimensions to his clinical approach in treating patients with chronic pain. He has presented several talks on this subject, and demonstrated advanced pain interventions at various conferences and scientific meetings.

### **Dr Naveen Salins**

MBBS, MD

Consultant - Department of Palliative Medicine

**Tata Memorial Hospital, Mumbai**

Dr Salins completed his MD in General Medicine from KMC Manipal with honors in 2003 and worked as a Faculty in Department of General Medicine. He got trained in Palliative Medicine from 2006-2009 at Lyell McEwin Hospital, South Australia and after completion of training he worked as a Palliative Medicine Consultant at Royal Adelaide Hospital. He has been instrumental in designing and promoting palliative care education and policies on a National and international level.
