Dear Friends,

We shall be organizing the First IACTS CTCME of 2017 on May 20th & 21st at the Nitu Mandke Convention Centre, Kokilaben Hospital, Mumbai.

Highlights of the CME

- Designed primarily for the trainee cardiothoracic surgeon in India
- Pre CME valve repair and Ross procedure workshop on Friday 19th May 2017 for first 20 candidates
- Dedicated talks on adult and pediatric valve problems.
- Focus on valve repair, minimally invasive techniques and tissue valves
- Moderated panel discussion on practical problems
- Quiz with reward for winning students
- Highly experienced and well known national faculty
- MMC Credit points

CME registration is free but mandatory for students and delegates

Students should register early so that accommodation can be arranged.

Registration for the workshop on 19th May 2017, is on first come first served basis & shall close after 20 registrations.

As accommodation would be limited and will be allotted on a first come first served basis, all MCh. and DNB trainees wishing to attend the CME are requested to send in emails to the CME Secretariat indicating their desire to attend the CME giving the following particulars:

1. Full name (As in Govt. issued photo ID with address)
2. Institutional Attachment
3. Year of joining Post Graduation - MCh or DNB
4. Contact mobile number and address
5. email address
6. Tentative date of arrival and departure & mode of travel
7. Please attach to your email :
 - A scan of photo ID with address that you will be using
 - A letter from your HOD mentioning your name and PG course particulars.

As travel and commuting in Mumbai is time consuming, 'early birds' will get the benefit of in-house lodging making your stay more comfortable and less stressful.
